

Wiggle Time is back!

Wiggle Time serves the families of preschoolers during 8:30AM worship. Following the children's sermon, parents have the option of listening to the regular sermon while their youngsters, ages 1-5 years, are entertained by at least two adult volunteers in the Fellowship Hall play area. These families may take advantage of Wiggle Time regularly or occasionally—such as when one of two parents is unable to attend worship—or keep their youngsters with them during the sermon. Children are always welcome during all phases of worship. Wiggle time is simply providing an opportunity for childcare.

Wiggle Time serves an important role in Lands' ministry as it:

- Allows youngsters with shorter attention spans to experience worship in part or its entirety
- Enables parents of young parents to glean more from the sermon
- Expands preschoolers' understanding of a warm and caring church family
- Allows the parents, many of whom volunteer for Wiggle Time themselves, to get to know and to feel supported by members they might not otherwise meet
